IMPORTANT GOVERNMENT ORDERS

DEVELOPMENT SECRETARIAT

Re-employment of labourers in Government Industrial Concerns who were dismissed or discharged in connection with the 1942 "Quit India" Movement.

ORDER No. D. 2603-16—I. & C. 142-47-3, DATED BANGALORE, THE 21ST NOVEMBER 1947.

The Quit India Movement of 1942 was an All-India Movement in which the people of the States also took their part. The labourers of the Mysore Iron and Steel Works, Bhadravati and certain other Industrial Concerns also participated in the movement. The Government Industrial Concerns at the time viewed such activities with disfavour and quite a large number of the labourers, particularly of the Mysore Iron and Steel Works, Bhadravati, were dismissed on the ground of alleged misconduct. There were no charges framed against them nor any explanations taken and dealt with. The conduct of these labourers who actively participated in the freedom movement of India in 1942, cannot be deemed to be misconduct, in any case, in the altered situation in the State and India.

Labourers who took part in the recent "Satyagraha" and whose services were dispensed with on that account have all been re-entertained without prejudice to their places and other rights.

On a further consideration of the matter, Government are pleased to direct that such of those labourers of Government Industrial Concerns as have been dismissed or whose services have been dispensed with in connection with the 1942 "Quit India" Movement should be re-employed in their original posts as far as possible, if they apply for such posts.
